Office of Legislative Counsel

Friday - 15 February 1957

- - -

1. Discussed with Mr. Smart of the House Armed Services Committee the problem of assignment of "jurisdiction" over CIA to the International Operations Subcommittee of the Government Operations Committee. He is not concerned about this development. Smart informed me that the Chairman would probably want to have another meeting of his Subcommittee before the end of February. I have alerted Colonel Hite, who says that his additional known personnel can be made available on short notice.
